18. EXAMPLE OF ADVICE TO PARISHES WHEN LETTING THEIR PREMISES

Church premises are normally made available free of charge to organisations that come under the jurisdiction of the Parish. Where independent organisations seek the use of Church halls, the Parish may or may not agree to let or hire premises and levy fees at their discretion. When a Parish is contemplating a let or hire of a hall or room on Church premises whose use would involve work with children, young people or adults at risk, it is advisable that the following should be added to licences.

In order to safeguard children, young people and adults at risk, a person responsible for hiring the premises must sign one of the following declarations:

I/the organisation that I represent am/is committed to protecting and safeguarding children, young people and adults at risk.

I/the organisation that I represent have/has a Safeguarding Policy in place and have/has an understanding of it, and undertake(s) to follow the Code of Practice contained therein. A copy of the full policy is attached.

All those who are working with children, young people or adults at risk during this Hall Let have had a satisfactory Enhanced Disclosure.

I understand that if the organisation I represent is found to be in breach of this declaration, the Church reserves the right to cancel any leasing or hiring agreement immediately.

23. EXAMPLE OF HOW A PARISH COULD BRING THE POLICY STATEMENT TO THE ATTENTION OF THE WHOLE PARISH COMMUNITY

'Awareness and Safety in our Catholic Communities' in the parish of **(hold up Poster)**. The Catholic Church's safeguarding programme involves us all: the Parish Priest, the Parish Co-ordinator, volunteers, the parish community.

Here in the Parish of we have a number of families with children of all ages and at all stages of their faith development.

We are fortunate in having a number of Catechists who undertake the task of introducing the children to their faith and of preparing them for the Sacraments of Reconciliation, the Eucharist and Confirmation.

We also have a number of volunteers who provide support to the children by presenting the Liturgy of the Mass of the day through a range of appropriate planned learning activities aimed specifically at meeting the needs of the age range of the children.

A further group of volunteers undertake the role of Extraordinary Minister of the Eucharist, taking Communion to the sick or housebound.

As a parish, we warmly welcome and fully appreciate the contributions made by all those who volunteer, in whatever way and using whatever skills they may have, to enhance the spiritual and temporal life of our parish.

In law, anyone who works with children or adults at risk is obliged to undertake a Disclosure check, and in our parish this process is carried out through, who has been approved by the Diocese to carry out the administration work involved.

The Bishops' Conference of Scotland has a further requirement that anyone who offers their services as a volunteer with vulnerable groups must complete an application form, self-declaration form and provide two character references.

They are provided with a role descriptor and go through an interview procedure with the Parish Clergy and/or the Parish Co-ordinator and, finally, all volunteers are obliged to attend presentation sessions to learn about '*Awareness and Safety in our Catholic Communities*'.

This information is presented to reassure you that all possible steps are taken to ensure that the children, young people and adults at risk of our parish are as safe as they can be when they are in our care.

To anyone thinking of volunteering their services in this parish community of, please let this information be an encouragement and not a deterrent.

Please feel free to read the '*Awareness and Safety in our Catholic Communities*' folder for more detailed information about the Safeguarding Policy of the Catholic Church in Scotland.
